COMMENTS ON
STATEMENT REGARDING REASONS FOR NOTICE OF ALLOWANCE

In regards to the statement of reasons for the indication of allowable subject matter, the Applicant notes that the Examiner has merely repeated portions of the claims that were present in the originally-filed specification. As such, these statements for reason of allowance do not in any way limit the scope of equivalence or otherwise provide prosecution history estoppel or a limitation to the scope of the claims, and in fact indicate that the other limitations of the claims that are not recited as being part of the reasons for allowance should be given their broadest possible scope.

No additional fee is believed to be due, however, if any applicable fee or refund has been overlooked, the Commissioner is hereby authorized to charge any fee or credit any refund to the deposit account of Godwin Gruber, LLP, No. 50-0530.

Respectfully submitted,

Christopher J. Rourke
